

# **FRIENDS, WE ARE COMING (English Version 1)**

We – the fans are so determined  
standing like a mountain behind you  
our hearts are now and ever burning  
to serve our team and thats forever true

**Friends, we are coming  
accordions playing  
and all signs point to victory  
Friends, we are coming  
keep timbals drumming  
cause football´s our only destiny**

Tonight nobody will defeat us  
cause we are simply far too strong  
noone´s here to out-compete us  
and we´ll be champions all along

**Friends, we are coming  
accordions playing  
and all signs point to victory  
Friends, we are coming  
keep timbals drumming  
cause football´s our only destiny**
