Dialogue 6

Linda: Oh, I liked the movie very much! Did you like it too?

Brian: I tried to understand it, but I could not!

Linda: Yes, they used many slang words. The actors were really good though!

Brian: By the way, I saw your sister, yesterday, after the match.

Linda: Yes, she was at the match too. She liked it a lot.

Brian: But afterwards, it started raining! What did you do then?

Linda: I hurried home. What did you do afterwards?

Brian: Hahaha....We played darts! Your sister's boyfriend is very nice!

Linda: I preferred my sister's last boyfriend. He was also an actor.

Brian: The actors' achievements were really great, but the leading actor's accent was terrible! Hahaha...

Linda: You are right. I particularly liked the end of the film, but the seats at the cinema were, however, somewhat uncomfortable.

Brian: That's why I already look forward to my own couch. Hahahaha!

Linda: Yes, it is certainly more comfortable. I already look forward to seeing your place!

Brian: I'll pick you up tomorrow from your office!

Linda: Great! See you tomorrow! Oh, it is raining again.

Grammar 6 A: Past Tense Simple :

“Past Tense” expresses that an action took place at a definite time in the past.

Practice the irregular verbs!

Singular:	Plural:
1. I played	1. We played
2. You played	2. You played
3. He played, she played, it played	3. They played

Grammar 6 B: Possessive Case :

Forms:
Saxon genitive (noun + 's or s'): expressing possession or relationship: Add “'s” to the noun (for nouns which do not end with “-s” or an”s” (for plural nouns which end with -s). The Saxon Genitive is usually used for persons (or animals): e. g. “Marc’s friends”, “My parents’ house”...
Genitive with “of” – is usually used for things (you can also use it for persons though): e. g. “The colour of her hair is blonde”.
